1) **Grant of Copyright License.** Universiteit Leiden (the "Licensor") grants You, as defined in section 13), a worldwide, royalty-free, non-exclusive, sublicensable license, for the duration of the copyright, to do the following:

a) to use CitNetExplorer (the "Work") for non-commercial research and teaching;

b) to reproduce the Work in copies, either alone or as part of a collective work;

c) to distribute or communicate copies of the Work to the public, under any license of your choice that does not contradict the terms and conditions, including Licensor's reserved rights and remedies, in this License; and

d) to display the Work publicly.

2) **Exclusions From License Grant.** Neither the names of Licensor, nor the names of any contributors to the Work, nor any of their trademarks or service marks, may be used to endorse or promote products derived from this Work without express prior permission of the Licensor. Except as expressly stated herein, nothing in this License grants any license to Licensor's trademarks, copyrights, patents, trade secrets or any other intellectual property. No patent license is granted to make, use, sell, offer for sale, or have made. No license is granted to the trademarks of Licensor even if such marks are included in the Work. Nothing in this License shall be interpreted to prohibit Licensor from licensing under terms different from this License any Work that Licensor otherwise would have a right to license.

3) **External Deployment.** The term "External Deployment" means the use, distribution, or communication of the Work or Derivative Works in any way such that the Work or Derivative Works may be used by anyone other than You, whether those works are distributed or communicated to those persons or made available as an application intended for use over a network. As an express condition for the grants of license hereunder, You must treat any External Deployment by You of the Work or a Derivative Work as a distribution under section 1(c).

4) **Attribution Rights.** You must retain all copyright, patent, or trademark notices from the Work, as well as any notices of licensing and any descriptive text identified therein as an "Attribution Notice."

5) **Warranty of Provenance and Disclaimer of Warranty.** Licensor warrants that the copyright in and to the Work granted herein by Licensor are owned by the Licensor or are sublicensed to You under the terms of this License with the permission of the contributor(s) of those copyrights and patent rights. Except as expressly stated in the immediately preceding sentence, the Work is provided under this License on an "AS IS" BASIS and WITHOUT WARRANTY, either express or implied, including, without limitation, the warranties of non-infringement, merchantability or fitness for a particular purpose. THE ENTIRE RISK AS TO THE QUALITY OF THE WORK IS WITH

YOU. This DISCLAIMER OF WARRANTY constitutes an essential part of this License. No license to the Work is granted by this License except under this disclaimer.

6) **Additional rights.** You are solely responsible to acquire any necessary right required to access data used by the Work. Rights granted by Licensor do not include rights to use data or information used by the Work.

7) **Limitation of Liability.** Under no circumstances and under no legal theory, whether in tort (including negligence), contract, or otherwise, shall the Licensor be liable to anyone for any indirect, special, incidental, or consequential damages of any character arising as a result of this License or the use of the Work including, without limitation, damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses. This limitation of liability shall not apply to the extent applicable law prohibits such limitation. This section shall survive the termination of this License.

8) **Acceptance and Termination.** If, at any time, You expressly assented to this License, that assent indicates your clear and irrevocable acceptance of this License and all of its terms and conditions. If You distribute or communicate copies of the Work, You must make a reasonable effort under the circumstances to obtain the express assent of recipients to the terms of this License. This License conditions your rights to undertake the activities listed in section 1, and doing so without honouring these terms and conditions is prohibited by copyright law and international treaty. Nothing in this License is intended to affect copyright exceptions and limitations (including "fair use" or "fair dealing"). This License shall terminate immediately and You may no longer exercise any of the rights granted to You by this License upon your failure to honour the conditions in section 1.

9) **Termination for Patent Action.** This License shall terminate automatically and You may no longer exercise any of the rights granted to You by this License as of the date You commence an action, including a cross-claim or counterclaim, against Licensor or any licensee alleging that the Work infringes a patent. This termination provision shall not apply for an action alleging patent infringement by combinations of the Work with other software or hardware.

10) **Jurisdiction, Venue and Governing Law.** Any action or suit relating to this License may be brought only in the courts of a jurisdiction wherein the Licensor resides or in which Licensor conducts its primary business, and under the laws of that jurisdiction excluding its conflict-of-law provisions. The application of the United Nations Convention on Contracts for the International Sale of Goods is expressly excluded. Any use of the Work outside the scope of this License or after its termination shall be subject to the requirements and penalties of copyright or patent law in the appropriate jurisdiction. This section shall survive the termination of this License.

11) **Attorneys' Fees.** In any action to enforce the terms of this License or seeking damages relating thereto, the prevailing party shall be entitled to recover its costs and expenses, including, without limitation, reasonable attorneys' fees and costs incurred in connection with such action, including any appeal of such action. This section shall survive the termination of this License.

12) **Miscellaneous.** If any provision of this License is held to be unenforceable, such provision shall be reformed only to the extent necessary to make it enforceable.

13) **Definition of "You" in This License.** "You" throughout this License, whether in upper or lower case, means an individual or a legal entity exercising rights under, and complying with all of the terms of, this License. For legal entities, "You" includes any entity that controls, is controlled by, or is under common control with you.
